

FX1 MARKETS

FULL RISK DISCLOSURE

1. POLICY STATEMENT

Fx1 Markets Ltd. is an entity incorporated under the International Business Companies (Amendment and Consolidation) The REGISTRAR OF CORPORATE AFFAIRS of the British Virgin Islands HEREBY CERTIFIES that, pursuant to the BVI Business Companies Act, 2004 on the 20th day of March 2019.

BVI COMPANY NUMBER 2009068.

Trading of foreign exchange contracts, contracts for difference, derivatives and other investment products which are leveraged, can carry a high level of risk. These products may not be suitable for all investors. It is possible to lose more than your initial investment. You should carefully consider whether trading is suitable for you in light of your circumstances, knowledge, and financial resources. Opinions, market data, and recommendations are subject to change at any time. All funds committed should be risk capital. Past performance is not necessarily indicative of future results.

Trading Foreign Exchange ('Forex') is a challenging and potentially profitable opportunity for educated and experienced investors. However, before deciding to participate in the Forex market, you should carefully consider your investment objectives, level of experience and risk appetite. Most importantly, do not invest money you cannot afford to lose. Please be aware of the Forex risk.

There is considerable exposure to risk in any off-exchange foreign exchange transaction, including, but not limited to, leverage, credit worthiness, limited regulatory protection and market volatility that may substantially affect the price, or liquidity of a currency or currency pair.

Moreover, the leveraged nature of Forex trading means that any market movement will have an equally proportional effect on your deposited funds. This may work against you as well as for you. The possibility exists that you could sustain a total loss of initial margin funds and be required to deposit additional funds to maintain your

FX1 MARKETS

position. If you fail to meet any margin requirement, your position may be liquidated and you will be responsible for any resulting.

The information provided on this website should not be relied upon as a substitute for extensive independent research before making your investment decisions. The Company is providing this information for your general knowledge and the information does not take into account any particular individual's investment objectives, financial situation, or needs. All investors should obtain advice based on their unique situation before making any investment decision based upon any information contained within. Each investment product, including foreign currencies and contracts for difference, are offered only to and from jurisdictions where solicitation and sale are lawful, and in accordance with applicable laws and regulations in such jurisdiction.

There is Forex risk associated with utilising an internet-based trading system including, but not limited to, the failure of hardware, software, and internet connection. The Company and all its White Labels, Introducing Brokers, Affiliates or any of their Associate's, Business Partners, Marketing Agents, and Employees are not responsible for communication failures or delays when trading via the internet. The Company employs backup systems and contingency plans to minimize the possibility of system failure.
